出版时间:2005-09-28

装帧:Paperback

isbn:9781565232815

With comprehensive tips and advice from masters of game call making, this guide will interest woodturners and outdoor enthusiasts alike. Chapters address every aspect of this American folk art, including the history of duck calls, the proper methods of preparation, the right materials and tools, and the best finishing techniques. Readers

will also find a gallery of work by noted game call makers, information on goose and deer calls, and a directory of resources for materials.
