Expanding a house requires both inspiration and expertise, and that is just what the

seasoned professionals from Fine Homebuilding magazine have provided in Building Additions. Through an eye-catching combination of text, illustration, and photos, they reveal the decisions, design ideas, and construction details involved in completing a wide range of home additions. From bay window bump-outs and basement remodels to sunrooms and second-story additions, readers get the kind of valuable insider expertise and hands-on techniques that guarantee top-notch results when adding on to a house.
