This follow-on edition to The CISSP Prep Guide: Mastering CISSP and ISSEP offers value-add coverage not featured anywhere else! You'll prepare for passing CISSP with a revised review of each of the ten CISSP domains, updated to reflect current thinking/technology, especially in the areas of cyber-terrorism prevention and disaster

recovery. You'll also cover CAP, a major section of the ISSEP that has been elevated from its status as part of an advanced concentration to its own certification. The accompanying CD-ROM contains revised test questions to make your preparation complete. Order your copy today and make your exam preparation complete!
