

C*-Algebras and W*-Algebras

[C*-Algebras and W*-Algebras 下载链接1](#)

著者:Shoichiro Sakai

出版者:Springer

出版时间:1997-12-11

装帧:Paperback

isbn:9783540687894

This book covers the underlying science and application issues related to aggregation operators, focusing on tools used in practical applications that involve numerical information. It will thus be required reading for engineers, statisticians and computer scientists of all kinds. Starting with detailed introductions to information fusion and integration, measurement and probability theory, fuzzy sets, and functional equations, the authors then cover numerous topics in detail, including the synthesis of judgements, fuzzy measures, weighted means and fuzzy integrals.
