Fun with Photoshop Elements 4: Foto Fakery for Everyone is a fun, cheeky approach to using Photoshop Elements 4 in exactly the way you want to use it - for fun! You'll be able to get your feet wet and your hands dirty while learning the key tools and tricks

through objective-based lessons. You'll be able to quickly complete tasks, and by the end of the book, you will be able to combine elements of two photos into one image, perform "head transplants," makeover your clothes or face, edit people into and out of images, and graft images together to create giant, mystical creatures. Plus, you'll find out how to use these images on greeting cards, T-shirts, personalized calendars, fake street sign, and more. You can even gain inspiration at the companion website from posted reader creations! The possibilities are endless. Let us help you reel them in!
