Even if you've never used Macromedia Dreamweaver before, this Visual QuickStart Guide will have you up and running with Macromedia's popular Web authoring

program in no time. In this completely updated edition of our best-selling guide to Macromedia Dreamweaver, leading technology authors Tom Negrino and Dori Smith use their trademark crystal-clear instructions and friendly prose to introduce you everything that's new in Dreamweaver 8. Filled with step-by-step, task-based instructions and loads of visual aids, this book explains how to use all of the program's visual layout tools, application development features, and code editing support to create stunning, accessible Web sites. Along the way, you'll find extensive coverage of all the program's new features: drag-and-drop integration of XML data feeds, improved CSS support, advanced style rendering toolbar, the industry's first integrated Web accessibility evaluation tool for Section 508 and WCAG 2 checkpoints, and more!
