Looking for "it"? That something different that will increase your eBay auction sale rates and selling prices? One of the most effective ways to generate more sales at high price-points is to create a more attractive, attention-getting auction listing. The easiest

way to do this is through the use of templates that you can quickly populate with minimal effort and will maintain a style consistency across all of your auctions. eBay Auction Templates Starter Kit is a combination book/CD designed to help all levels of eBay sellers create better-looking eBay auction listings as quickly and easily as possible. The text describes how to use HTML to create sophisticated auction templates; the CD includes dozens of pre-designed templates that can be used as-is. If you're a little more ambitious, you'll also learn how to create great-looking auction listings using HTML.
