Get ready to master the cool new features of SONAR 5 SONAR 5 CSi Master is a

hands-on, tutorial CD-ROM that provides you with a unique way to take your music to the next level. Work your way through a basic production from start to finish as you discover how easy it is to get down to the business of producing a song. Sit back and watch a DAW pro show you the ins and outs as you work through more than four hours of movie tutorials. Use the quizzing feature to test yourself along the way. SONAR 5 CSI Master is full of movie tutorials that include not only basic functionality, but also production techniques, special shortcuts, key commands, and before and after audio examples. Put the power of SONAR to work for you
