

# Advanced Mathematical And Computational Tools in Metrology

[Advanced Mathematical And Computational Tools in Metrology\\_ 下载链接1\\_](#)

著者:Ciarlini, P. (EDT)

出版者:World Scientific Pub Co Inc

出版时间:2006-3

装帧:HRD

isbn:9789812566744

This volume collects the refereed contributions based on the presentations made at the Seventh Workshop on Advanced Mathematical and Computational Tools in Metrology, a forum for metrologists, mathematicians and software engineers that will encourage a more effective synthesis of skills, capabilities and resources. The volume contains articles by world renowned metrologists and mathematicians involved in measurement science and, together with the six previous volumes in this series, constitutes an authoritative source of the mathematical, statistical and software tools necessary in modern metrology.
