

Imperialism and Underdevelopment

[Imperialism and Underdevelopment 下载链接1](#)

著者:Robert L. Rhodes ed.

出版者:Monthly Review Press

出版时间:1971-1-1

装帧:Paperback

isbn:9780853451556

This collection makes available some of the critical essays that contributed to the popular notion of "underdevelopment" as a political and revolutionary concept, and many insightful discussions about the relationship between western imperialism and underdevelopment. These essays relate both to dependency approaches, and to neo-Marxist theories.

作者介绍:

目录: The development of underdevelopment, by A. G. Frank.

书评

To be frank, this book is old. Many readers may find the Marxist approach kind of boring. However, for serious researchers who want to have a more complete understanding of the evolution of development theories, this book is a "must read". The essays repres...
