The Wine Brats' Guide to Living, with Wine is an irreverent guide to wine and wine culture. Not only does it help destroy the myth that wine is merely the drink of the rich and bored, but its unique step-by-step approach to becoming a wine connoisseur can turn even the greatest winephobic into a wine lover. Among its many fun and practical tips, this innovative book shows you how to build a wine cellar in your bathroom using household objects, how to decipher the various labels to choose the right wine to go with takeout pizza, and the basics of how a grape makes its way into a bottle. From the beginner's guide to corkscrews to how to host your own wine tasting, The Wine Brats' Guide to Living, with Wine is a wine lover's guide for real people.
