What Do You Call Cheese that Isn't Yours?

One-liners. The jokes are known for little more than eliciting a groan or two from you. But since Jeffery Dean came up with this handy booklet for teens, one-liners have become a handy tool. These quotes, questions, and statements will cut to the chase and spark the, “Hmmm… I never thought of that before!” section of your gray matter. Some are funny, some are convicting. Each is thought-provoking. Bring a little simplicity back to your complicated life. Don’t expect the world’s problems to be

solved or all of your personal troubles to immediately go away. But do look for plenty of food for thought about what really matters. By the way, the cheese that doesn't belong to you? It's nacho cheese. (A cheesier one-liner than anything you'll find in this book.)

Think.

Do you live life looking back or looking forward?

But not too hard.

God has your name tattooed on His heart.

Tattoos are permanent.

Funny and deep. Surprising and smart. One-liners to put you on top of your day.

“Jeffrey Dean has a way of zeroing in on today's youth culture. He knows teens and how to communicate the love of Jesus to them in a way that captures their attention and convicts their hearts.”

-Josh McDowell
