Sable wears only black and has always felt that doom is near. Lacey wears pink and seeks beauty everywhere. A sadistic art teacher pairs Sable and Lacey together for their final project. The girls have to get to know one another and select a suitable poem for the back of each other's decorative mirror. Sable is less than thrilled at having to spend time with Lacey, who she believes to be nothing more than a brainless doll. As the project progresses, and Sable gets past her resentment, she learns some surprising truths about who Lacey really is. All of Sable's images begin to change, including the one she holds of herself. This is K.L. Denman's second book with Orca Book Publishers. Her first, *Battle of the Bands*, was released in fall 2006.
