To Xandra Farrel, men are only good for procreation and pleasure - and sometimes they even need help with that. As proprietor of erotic aid manufacturer Wild Women, Inc., she's ready to launch her best product just as soon as she tests it out. Her subject: Beau Hollister, once the sexiest, most popular bad boy in high school, and the man responsible for the worst sexual experience of Xandra's life. If Xandra can have one mind-blowing night with Beau, the commercial success of her product is a sure thing ...When Beau started his home renovation company, Hire-a-Hunk, being Xandra's boy toy was not what he had in mind, especially since he blew it way back when. Then Xandra turns up the heat and turns on the seduction. As wills clash and hearts collide, can unexpected love prove that being naughty is sometimes the nicest way a girl can have her Beau ...and keep him too?
