Twenty-year-old Amanda Derrington is on an extended cruise with her uncle when she decides to make a short trip to the sun-washed island of Cyprus. But even before the ship arrives in the port, there is a suspicious death. Once the passengers reach the island, it soon becomes clear that the death was in fact an act of murder. What Amanda had meant to be a pleasant excursion quickly takes a turn for the worse in this classic novel of suspense and romance by one of our most celebrated writers.
