Soups are the most versatile and best-loved dish on anyone's menu. Light and refreshing on hot days, warming and filling on cold days, soups can be a tempting appetizer to a main course, or a meal in themselves, and there is no ingredient that

cannot be used in a soup. Fresh, bright and contemporary, this beautiful new book is filled with 135 recipes for soups, broths, chowders, bisques, consommés and gumbos for every occasion, from all over the world. Each recipe has details of all the ingredients you will need, clear and easy-to-follow instructions and a complete nutritional analysis for those watching what they eat.
