## Simple French Food

"For twenty years Richard Olney's Simple French Food has been one of my greatest sources of inspiration for cooking at Chez Panisse." —Alice Waters "I know this book almost by heart. It is a classic of honest French cooking and good writing. But it, read it, eat it." —Lydie Marshall "I need this new edition badly because Simple French Food is the most dog-eared, falling-apart book in my library. Here it is newly bound to enrich one's life." —Kermit Lynch, author of Adventures on the Wine Route "Simple French Food has the most marvelous French food to appear in print since Elisabeth David's French Provincial Cooking.... The book's greatest virtue is that the author...really teaches you to cook French in a way I've never seen before. Here you acquire the methods, the tour de main, the tricks that are the heart and essence of French food, unforgettable once acquired in this book because of their logical, well-explained presentation." —Nika Hazelton, The New York Times "I am unable to find an adequate adjective to express my enthusiasm.... I find Simple French Food marvelous. I have never read a book on French cuisine that has so excited and absorbed me." —Simone Beck

whatever keeps my hand and eyes occupied invigorates the brain, including cooking a nice meal for my family! I do not consider myself as fully capable of going through every dish in the book, which is unnecessary, but 20% is where I draw the line!
