This remarkable word-of-mouth best seller and award-winning cookbook has entered its 6th printing to total 150,000 books sold all over the world. Each chapter features letters from a delightful farm woman who operates her beloved garden stand for summer visitors. This book is acclaimed for its charm and great recipes. Centered in Michigan's Upper Peninsula, it is brimming with Americana nostalgia. Cookbook collectors know well its acclaimed author, who satisfies the reader as well as the cook.
