Ten years after its original publication, "Death by Chocolate" remains the ultimate chocolate dessert cookbook. It won the James Beard Award, inspired a television show, and has sold over 100,000 copies. All of the original mouth-watering recipes remain, now supplemented by many new recipes carefully crafted by master-chef Marcel Desaulniers. All preparations and ingredients are included with full-color photographs, allowing mere mortals to create chocolate masterpieces such as the eponymous Death by Chocolate, Chocolate Temptation, and Chocolate Dementia.
