Welcome to the realm of very scary faeries. Sixteen-year-old Kaye is a modern nomad.

Fierce and independent, she travels from city to city with her mother's rock band until an ominous attack forces the sixteen-year-old back to her childhood home. There, amid the industrial, blue-collar New Jersey backdrop, Kaye soon finds herself an unwilling pawn in an ancient power struggle between two rival faerie kingdoms -- a struggle that could very well mean her death. Newcomer Holly Black's enormously powerful voice weaves teen angst, riveting romance, and capriciously diabolical faerie folk into an enthralling, engaging, altogether original reading experience.
