Based on Kay Arthur's bestselling "How to Study Your Bible" (390,000 copies sold), this easy-to-use Bible study combines a serious commitment to God's Word with fun illustrations, games, puzzles, and activities that reinforce biblical truth. "How to Study Your Bible for Kids" introduces the basics of inductive Bible study observation, interpretation, and application to children of ages 9 to 12. As they learn about the people in the Bible, the way things were done in biblical times, the amazing miracles performed, and numerous terrific adventures found in the Bible, young people will discover that God's Word speaks to them right where they're at. They'll come away from this study with a deeper understanding of God's love and care for them.
