That bear is back again, and in this new edition of *Paddington Helps Out*, his attraction for near disaster is as magnetic as ever. Who but Paddington would set out to cook dumplings only to find himself chased from the kitchen by something so nasty only his resourceful friend Mr. Gruber can rescue him? And who else could get away with sawing his neighbor's kitchen table in two or flooding the launderette? These and other riotous adventures all find their way into Paddington's scrapbook and make for another delightful book starring this beloved bear from Darkest Peru.
