出版者:Penguin USA

出版时间:2002-1

装帧:HRD

isbn:9780525468288

Simple in format, with vibrant folk-art inspired paintings of everyday items and a single, large-type word on each page, *Picture This...* is the ideal first word book for the very young. But there is much more to *Picture This...* than first meets the eye! Each turn of the page reveals a new perspective on what has come before and gives a hint of what's to come. Parents will delight in reading this book with their children, finding visual surprises together and following the gentle story as it progresses through the day and through the seasons.
