isbn:9780340917909

Abby can't wait for the arrival of her wild Grandma Aphrodite from Oz - and when they meet, she's not disappointed! In her sheepskin coat, crocodile boots and sixties' clothes (not to mention that mysterious trunk - what could be inside it?), Aphrodite walks into Abby and her mum's life and turns it upside down. Soon they're dancing to The Beatles, bringing chaos to the neighbourhood, and hatching a brilliant plan to find Mum a man...
