Join the lovable Backyardigans-Austin, Tasha, Tyrone, Pablo, and Uniqua-as they share four fun-filled adventures. Based on the popular children's TV show, The Backyardigans Music Player Storybook combines imaginative storytelling with song. Follow the Backyardigans as they search for pirate treasure, visit ancient Egypt, explore the frozen north, and learn the secret of the Soccer Monster. Each story is accompanied by a six-song music disc-24 entertaining songs in all-which readers can play on their music player. Prompts on each page tell readers when to play each song as they read this delightful collection of tales. In this deluxe storybook and play CD pack, toddlers and preschoolers have a chance to hum along with tunes inspired by Nick Jr.'s wildly popular show, Backyardigans. Includes music player with handle and 4

music discs.
