A cry echoed through the Forest.

He froze.

It was not the yowl of a vixen, or

a lynx seeking a mate. It was a man.

Or something that had once been a man.

With a creeping sense of dread,

Torak watched the light between the

trees begin to fail. . . . Torak is a boy apart. A boy who can talk to wolves. A boy who must vanquish the Soul-Eaters . . . or die trying. As the Moon of No Dark waxes large, the clans fall prey to a horrifying sickness. Fear stalks the Forest. The very breath of spring seems poisoned. No one knows the cause&#8212and only Torak can find the cure. His quest takes him across the sea to the mysterious islands of the Seal Clan. Here Torak battles an unseen menace and uncovers a betrayal that will change his life&#8212forever. Spirit Walker is a spellbinding story of fellowship, treachery, and self-sacrifice that takes the reader further on the journey that began in Wolf Brother.
