"The joy here is not just in the receiving of lovingly tendered presents; it's in the giving — of companionship, affection, and memories, priceless rewards for any season." — BOOKLIST

"As always, humor pervades the situations and the dialogue, and the illustrations are full of energy and movement." — THE HORN BOOK (starred review)

"A satisfying holiday story that works as either a long picture book or a transitional chapter book for girls in the primary grades." — KIRKUS REVIEWS
