It's a very special day for four young cousins on a mission to gather the loveliest flowers in bloom. Where will they find their beautiful bouquets? Not in the greenhouse, not in the field, and not even in the treehouse

village. So they wander through the forest, pause to make a daisy chain, and stop at the shop where the florist finally tells them where to go: the secret garden. And why do they need such sweet blossoms? As a surprise for the bride. This floral fantasy of stickers will delight every young girl.
