Watch out, HollywoodMax Remy is in Hollywood on what should be a normal vacation. But Max is no normal eleven-year-old. And she can forget Hollywood glamour when her trip turns into a dangerous Spy Force mission Max and her best friend, Linden, endure high-speed chases and earthquakes as they attempt to thwart Mr. Blue's dastardly plot to use the movie industry to take over the world. On top of everything else, Max's rival, Toby, is in town. So much for a relaxing vacation With time ticking against her, can Max save a good friend and uncover Mr. Blue's evil plan before it's too late?
