There can be only three in the Freaky Joe Club. Those are the rules, set down by Freaky Joe himself in the big red book, slightly chewed on one corner and wrapped in a locked bicycle chain. The newest chapter of the Freaky Joe Club consists of Conor, Timmy, and Jack, and their mission is to solve crimes and fight evil in Ship's Cove, Texas -- if they can only convince anyone that there "is" evil in Ship's Cove. The members of the Freaky Joe Club are back in school, but something strange is going on at the Edith R. Hammerocker Elementary School. Why does the new principal hate the school's nickname? What is a Hammerocker Hamster anyway? And what are those strange, brown creatures doing in the gym? For that matter, who was Edith R. Hammerocker? And most of all...WHO IS FREAKY JOE?
