isbn: 9781402723230

Slightly older children get their chance to show off their smarts, as they unscramble words, decode messages, and fill in crosswords. "Round About" contains a list of round things; kids have to fit each word into a diagram until the whole grid is filled in. Or they can "Go for It!" with a word search where every entry begins with the letter "G." Every

enjoyable puzzle will have new readers effortlessly honing their skills.
