The Cat in the Hat; Little Women; Charlie and the Chocolate Factory. You know the stories, you love the characters, but do you know "who wrote that?" Find out about the people behind your favorite tales and why they felt compelled to write for children. This series lets the reader explore the minds behind the fantasy. The author of more than 175 books, Paulsen uses his life experiences -- including working for a carnival and racing in the Iditarod twice -- to create adventurous stories that capture the human spirit.
