This set of 100 double-sided flash cards provides practice for all addition facts through  $9 + 9$ . The vertical representation of equations makes this hands-on math manipulative perfect for one-on-one tutoring, small groups, learning centers, or whole class instruction. Each card measures  $2 \frac{11}{16}'' \times 7 \frac{7}{8}''$ , promotes NCTM standards and includes answers on one side
