出版者:Overlook Press

出版时间:1999-3

装帧:Hardcover

isbn:9780879519209

Guitar players change lives. Everybody knows that. Geoff Nicholson's deliriously funny *Flesh Guitar* is an overstimulated love letter to the guitar, complete with feedback, reverb, and special guest appearances, with a lead player the likes of whom has not been seen since Hendrix departed this earth.

Into the Havoc Bar and Grill, an end-of-the-world watering hole on the outer fringes of the metropolis, walks the entertainment, Jenny Slade. She has the look down: beat-up leather jacket, motorcycle boots, cheekbones, and wild hair. But she's no ordinary guitar heroine. Her guitar is like none her audience has ever seen, part deadly weapon, part creature from some alien lagoon. Is that hair? Are those nipples? Is it flesh? Where does Jenny Slade come from? Where does she go? Geoff Nicholson fans know that wherever that is, the ride will be like no other.

"The electric guitar is Nicholson's latest test case and he nails it. *Flesh Guitar* is brilliant and clever beyond your wildest dreams." --Newsday

"A blackly comic homage to Western culture's obsessive love affair with the electric guitar . . . always clever."--The New York Times Book Review

"[Flesh Guitar] should prove, once and for all, that Nicholson is incomparable."--Independent on Sunday
