Drawing from recently declassified top-secret material, as well as revelatory eyewitness accounts, Secret Service records, and Jacqueline Kennedy's personal letters, bestselling biographer Barbara Leaming answers the question: what was it like to be Mrs. John F. Kennedy during the dramatic thousand days of the Kennedy presidency? Brilliantly researched, Leaming's poignant and powerful chronicle illuminates the tumultuous day-to-day life of a woman who entered the White House at age thirty-one, seven years into a complex and troubled marriage, and left at thirty-four after her husband's assassination. Revealing the full story of the interplay of sex and politics in Washington, Mrs. Kennedy will indelibly challenge our vision of this fascinating woman, and bring a new perspective to her crucial role in the Kennedy presidency.
