Set in Liberia and the United States from 1975 through 1991, "The Darling" is the story of Hannah Musgrave, a political radical and member of the Weather Underground. Hannah flees America for West Africa, where she and her Liberian husband become friends of the notorious warlord and ex-president, Charles Taylor. Hannah's encounter with Taylor ultimately triggers a series of events whose momentum catches Hannah's family in its grip and forces her to make a heartrending choice.
