Annie, Eve, and their former cooking teacher are in the trenches, trying to keep a new restaurant, Bellywasher's, from going belly up. Everything's simmering along just fine until Annie and Eve find their friend Sarah, staffer to a powerful congressman, lying dead in her tub. The cops want to write it off as a suicide, but the facts just don't add up. Then, after a series of suspicious "accidents," Annie and Eve realize that this kitchen fire isn't about to put itself out.
