It's a perfect day for swimming, building sand castles, and flying kites. But will this wacky family of seven "ever" make it to the beach? First they need to go back for Fido. Then there's the cooler full of soda. And what about Baby's beloved ducky pail? Even with all the things everyone has forgotten to bring, the unpredictable weather, and the stop-and-go traffic, this family's beach trip is sure to be the best yet. That is, if they (and

all their stuff) can get there
