Seventeen-year-old Molly Montgomery never planned on becoming famous. Molly's band, The Hormones, was just supposed to be about mucking around with her best mates, Jane and Tara, and having fun. But when the deliciously dangerous Dean and his friend T join the band, things start happening fast. Soon The Hormones are front-page news, and their debut album is rocketing up the charts. Molly is the force behind the band, but the hazards of fame, first love, screaming fans, and sleazy managers are forcing the newly crowned teen queen of grrl angst close to the edge. Fame never comes for free, and Molly's about to find out what it costs.
