出版者:Greenhaven Pr

出版时间:2005-9

装帧:Pap

isbn:9780737727289

The At Issue series includes a wide range of opinion on a single controversial issue. Each volume includes both primary and secondary sources from a variety of perspectives -- eyewitnesses, scientific journals, government officials and many others. Extensive bibliographies and annotated lists of relevant organizations to contact offer a gateway to further research.
