Wisteria Lane has nothing on the grandes dames of mystery. . . . In the expert hands of fourteen unsurpassed storytellers, being a housewife takes on a whole new meaning. Get ready for a lethal mix of meddling mothers-in-law, creepy neighbors, cheating husbands, fickle female friends, careers left behind, out-of-control kids, steamy sex, and much, much more in this thrilling collection of never-before-published stories. Go behind the lace curtains and PTA smiles to explore the often mind-numbing reality of being a housewife. You'll laugh, you'll scream, you'll recognize yourself or your best friend in each of these deadly situations. Join Nevada Barr, Barbara Collins, Carole Nelson Douglas, Eileen Dreyer, Vicki Hendricks, Suzann Ledbetter, Elizabeth Massie, Christine Matthews, Denise Mina, Marcia Muller, Sara Paretsky, Nancy Pickard, S. J. Rozan, and Julie Smith on a riotous ride through the dark but often hilarious corners of the housewife psyche. In "Deadly Housewives," the murders and mysteries on Wisteria Lane will look like an elementary-school bake sale compared to the thrills and suspense that these masters cook up.
