Product Description

Chantelle Burke fears her life has ended when she's abducted and sold into slavery. The newest addition to the harem of the mighty Pasha, the proud young Englishwoman will never call him "master" or bow to his ruthless will. But her resolve weakens once within the silken splendor of his chambers, when she encounters the breathtakingly handsome, powerfully muscular, and surprisingly tender desert chieftain for the first time. Yet, beneath his exotic eastern garb, the Pasha hides his true identity—one he must conceal at all costs . . . even as he burns to surrender everything to the bewitching Chantelle: his heart, his passion, and his very soul.
