isbn:9780425200490

"Mr. Hercule Poirot-you fancy yourself, don't you, at solving mysteries that are too

difficult for our poor thick-headed British police? Let us see, Mr. Clever Poirot, just how clever you can be." Was the anonymous note a brilliant challenge or a crackpot hoax? The answer is as loud and clear as a woman's scream-precisely that of Alice Ascher, a shopkeeper in Andover bludgeoned to death on the job. Next to her corpse, a clue that's as simple as ABC. Alphabetically speaking, the master Belgian sleuth suspects it's now a matter of one down twenty-five to go...

作者介绍:

Agatha Christie is the most popular mystery writer of all time. With over two billion copies of her books in print, her genius for detective fiction is unparalleled. She is truly the one and only Queen of Crime.

评论

P31 第二段 绿色封面

迄今为止读得最快的一本外文书。阿加莎，太精彩了。

Figured it out before Poirot. Still not pride of myself 'cause it's easy.

这个murder plot设计的很巧妙啊，各种bluff，很像下象棋

A ridiculous feeling of knowing the ending beforehand had haunted me all the way through my reading...
