Upgrading your Microsoft Office Suite to 2007? If so, you can use our Microsoft Office 2007 New Features FastCARD to get users working in their new version quickly. This quick start guide shows users how to work with the new Office Button and Ribbon, and other shared interface tools. It covers the new supported file formats. There are sections containing how-to information on new features for each of the four applicationsaWord, Excel, PowerPoint, and Outlook. There's even a section with answers to the most frequently asked questions by Microsoft Office upgrade users.
