In his latest masterwork of psychological suspense, the New York Times bestselling author of *The Program*, *Warning Signs*, and *The Best Revenge* peers into a troubled

marriage to craft a shattering tale of secrecy, eroticism, betrayal, and murder.

Psychologist Alan Gregory is juggling his responsibilities as a father, a husband, and doctor when a beautiful woman walks into his office with an astounding admission. Gibbs Storey believes that her husband may have murdered a woman. Then, Gibbs stuns Alan again with another revelation: She thinks there are other victims...and her husband is not finished killing yet.
