Although a truly gifted hairstylist, Kiri Koshiba has no interest in using her talent to pursue fame and fortune, unlike the three popular boys in the "Scissors Project" at school. Determined to become the best makeover team in Japan, they give showy makeovers to handpicked girls. As much as Kiri tries to shy away from the Scissors Project spotlight, she finds herself responding to beauty's call...Kiri's friend Kanako gives a present to one of the members of the Scissors Project. Her act of kindness is interpreted as a bribe to get a makeover, and they reject her out of hand for being too ugly. Kiri decides to help Kanako and give the boys a lesson in what true beauty is.
