Did you know that a giant panda baby is the size of a stick of butter? NorthWord is proud to present the third and fourth titles in a fun new animal series for kids ages 3-6.

KANGAROOS and GIANT PANDAS are two favorites among the preschool crowd. Here simple text, full-color photos, and playful, graphic design cover topics such as diet, family life, habits, sleeping, and defense. These ?day-in-the-life? books give young animal-lovers the information they crave.
