出版者:Lucent Books

出版时间:2006-3

装帧:LIB

isbn:9781590189368

The Overview series provides a broad range of quality nonfiction for upper elementary and junior/senior high students. Each clearly written book offers an in-depth overview of the topic -- and each is specifically written to be used both for reports and for casual, informative reading. A variety of photographs, relevant illustrations, and provocative editorial cartoons lend visual appeal and hold reader interest.
