Using a selection of common signs, these enchanting drawings help parents and their children communicate in sign language. Sparking an interest in sign language, putting an end to communication struggles, and enjoying greater understanding between child and parent are just some of the positive steps reinforced by these guidebooks. Designed for ease of learning, all of the signs in these titles can be learned quickly by both children and parents. With 14 essential vocabulary words--including baby, bed, dad, help, mom, please, and thank you--this guide helps parents and young children learn sign language and communicate more easily.
