An eTie back the covers of this highly detailed two-story, six-room castle and enter a medieval world filled with three-dimensional wonders including a moveable drawbridge and portcullis, swinging chandeliers, secret dark passages, hidden treasure and a prisoner in the tower. Press-out figures, including a fire-breathing dragon, and a pair of knights on horseback make the castle come to life. Packed full of exciting, historically accurate details like stained glass windows, snarling gargoyles, balconies and turrets, weaponry, lavish tapestries, colorful coats of arms, and shining armor, this is a castle that will enchant both children and collectors alike. Two-story, eight-room castle, Pop-out furniture, and press-out figures.
